Morning toast and late-night fridge raids are grabbed there. Quick cuppas are poured there. Snacks are searched for there. And of course, lovingly prepared family meals are made there.

No other part of your home is as busy and important as your kitchen – all day, every day. And no other part of your home requires as much professional consideration – and offers as much scope to express your own taste and personality.

That's the unique challenge of kitchen design. And it's a challenge that Blossom Avenue is able to meet – with something for every taste and budget.

All of our kitchens are made by skilled, experienced teams in our state-of-the-art UK facilities – with quality, design and sustainability built in as standard.

In this brochure you'll find eight distinct ranges, with styles from timeless and classic to stunning contemporary. What's more, each of our ranges offers a huge degree of flexibility, in choices of units and cabinets, door styles colours, finishes, storage solutions and accessories.

All of which means that your Blossom Avenue kitchen comes with a guaranteed personal touch. **Yours.**

Colours that complement, finishes of pure quality, style without compromise.

So let your imagination run wild! Remember it's the most important room in your home!

Even more inspiration!

More ideas to create the perfect look and feel to your dream kitchen.

Where hot, on-trend colours meet cool, sleek lines.

Where doors, cabinets, accessories and inspiration
all come together; seamlessly.

By design.
