EASY TO INSTALL

FROM CLIC TO CAM AND DOWEL 18MM FLATPACK & RIGID CABINET

- Re-engineered cabinets

We are making some changes to how we manufacture our standard and M2M (width only) kitchen cabinets! From a survey carried out with all our Trade Customers in August 2025 we know that a combination of specification and price are the most important factors for you when deciding which cabinets to purchase.

HERE'S WHAT CHANGED ON THE 2 MARCH 2026

We are changing the Unilin Clic Technology to the universally trusted push fit cam and dowel fitting method, offering 3 cabinet colours – white, urban oak and light grey.

White | **Urban Oak** | **Light Grey**

18mm MFC cabinets with an 8mm solid back.
Base cabinets are 720mm H x 570mm D. Adjustable legs are supplied and are an additional 150mm H.
Wall cabinets are 720mm H x 330mm D

- Retained ease of assembly with pre-inserted 8mm beech locating dowels and incorporating Hafele Minifix cam lock bolts and fixing dowels.
- Removal of the solid top panel on the base cabinet and replaced with a rail for ease of installation of sinks and taps.
- Retained 570mm Depth for base cabinets and 330mm Depth for Wall cabinets.
- Retained the 8mm solid back panel and introduced an 18mm rear rail to provide solid support for services with a 49mm service void.
- Improved leg design and upgraded materials. Feet are threaded and easier to adjust.
- Less internal drillings and matching cover caps to significantly improve cabinet aesthetics.
- The kitchen cabinet range has been tested to FIRA International Ltd and successfully meets the structural performance requirements for FIRA International Gold Product Certification to Heavy Domestic / Contract Kitchen Furniture: FPG S006 – Level H Specification.
- 25-year guarantee on all kitchen cabinets and a 10-year guarantee on all bedroom cabinets.
- Design allows for onsite modifications if required.
- Available in rigid and flat pack.

RIGID TRUE HANDLELESS DOORS

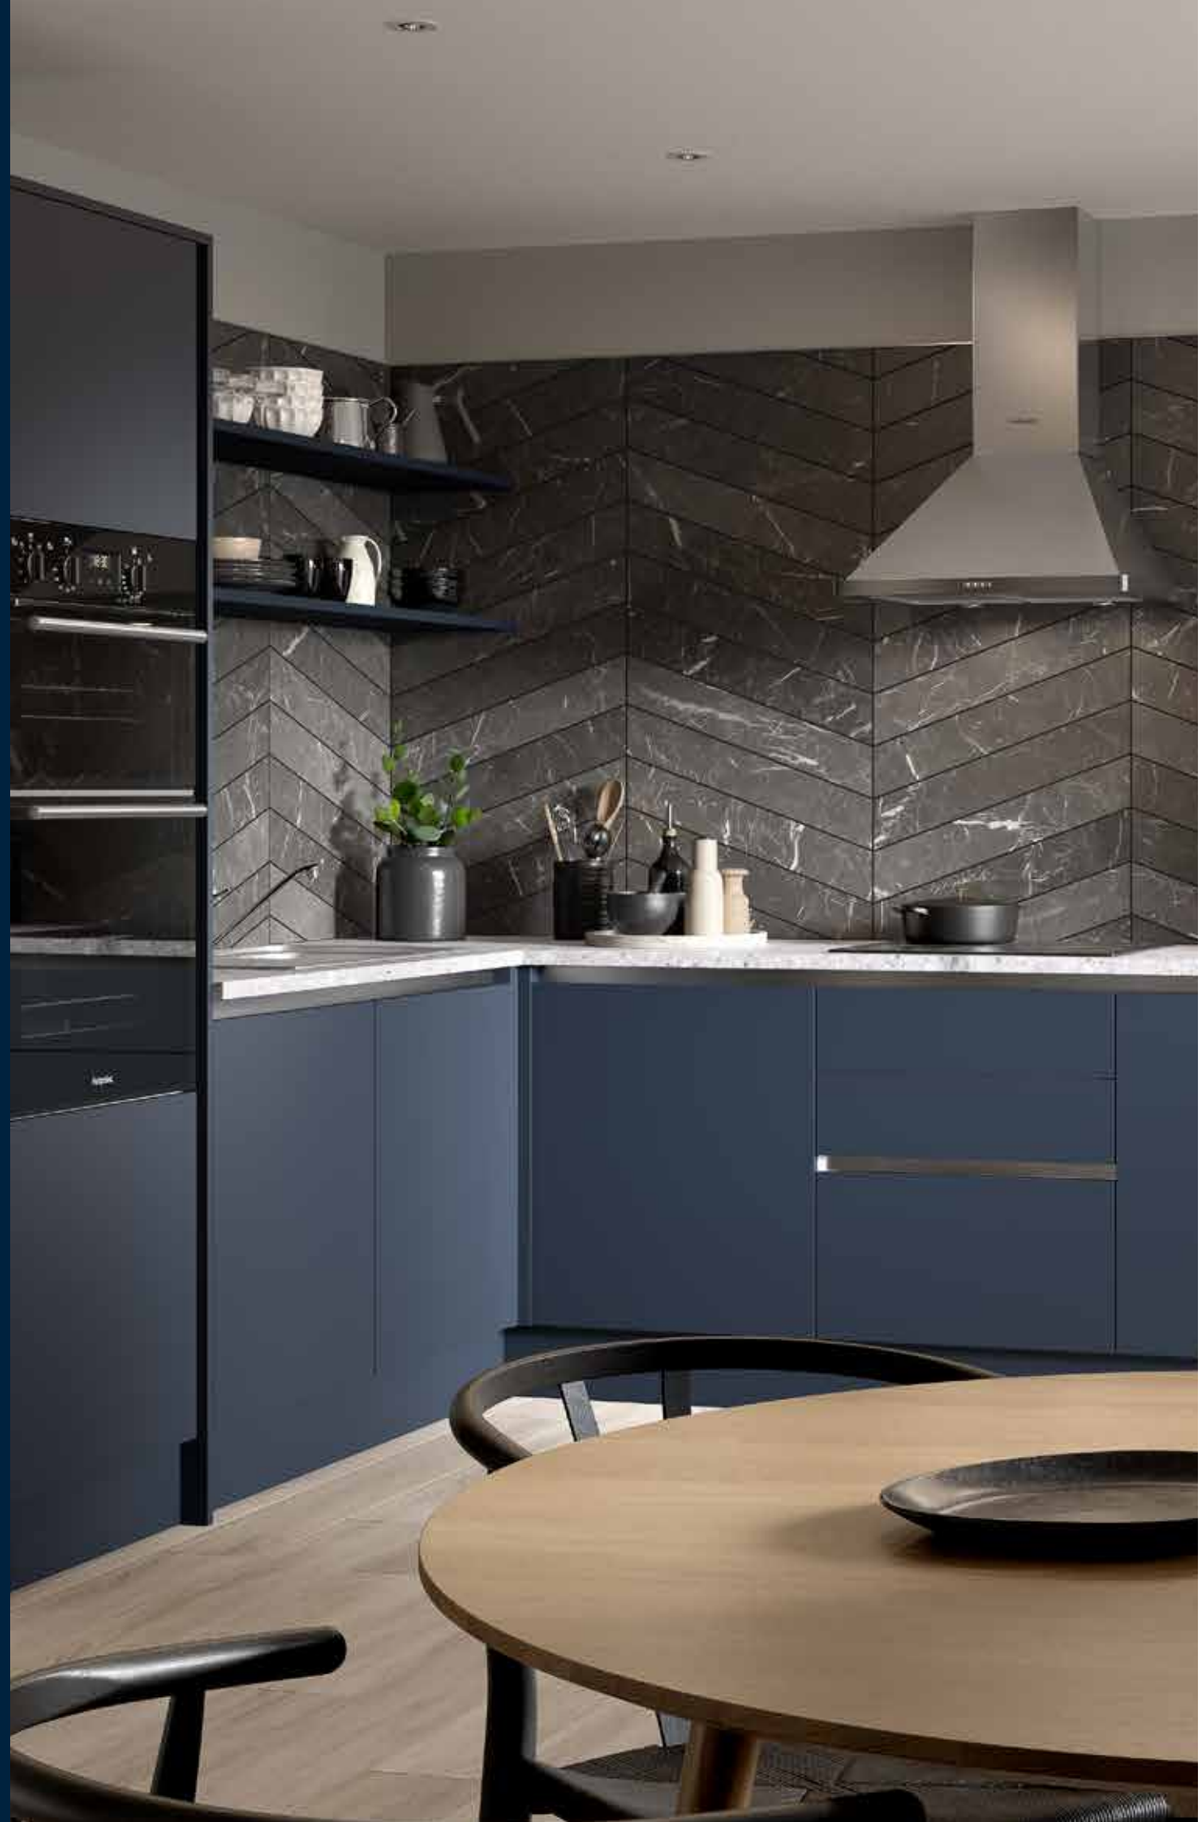

RANGE SPECIFICATION

The new Rigid True Handleless range is available in 3 cabinet colours with a choice of 2 Gola Rail colours, Hettich drawers & hinges. Tower units have single vertical rails.

The new range is an 18mm lacquered material on a chipboard core with a high quality supermatt finish which has a soft touch feel.

All colours come complete with matching edge and colour matched reverse face.

- UK Manufactured
- The kitchen cabinet range has been tested to FIRA International Ltd and successfully meets the structural performance requirements for FIRA International Gold Product Certification to Heavy Domestic / Contract Kitchen Furniture: FPG S006 – Level H Specification
- Doors have FIRA Gold Product Certification
- Extremely sturdy 18mm MFC Cabinets with 8mm back
- Adjustable legs and 49mm service void for base cabinets
- Adjustable concealed hanging brackets with wall cabinets
- Adjustable shelves

feefo ★★★★★ Review

I have used Kitchen kit for a few years now & it's only getting better. The quality of the units are the best I have used & I won't go anywhere else to purchase another kitchen.

feefo

AMAZING SERVICE!

This is really first class service, fantastic quality units, and just as important, very well packed. No damage, they fit together so well, anyone could handle the assembly, will definitely use this company again!

feefo **OUTSTANDING!**

The cupboards look good (I went with the graphite colour in matt, J-Pull style) and are very strong. They go together easily and quickly. Customer service was excellent. Delivery was quick. My whole experience has been a pleasure.

TALL CABINETS

All tall cabinets will be despatched flat-packed.
All larder cabinets are supplied with 1x fixed shelf and 3x adjustable shelves as standard.
All integrated appliance housing cabinets are supplied with 3x fixed shelves and 1x adjustable shelf as standard.
